the holiday & leisure park development forum

3rd - 4th October 2019, Whittlebury Hall Hotel, Northamptonshire

meet. connect. do business.

A real opportunity to do business

The holiday and leisure park development forum gives you unprecedented access to a host of key decision-makers involved in the most active projects in the sector.

Through a tailored schedule of pre-arranged meetings we enable you to develop relationships that pave the way to real business.

A proven model

We facilitated over 6,000 meetings across our forums last year. Unique in the sector the hlpd forum brings together park and resort operators, clients, architects, contractors, project managers, consultants and the suppliers of leisure and holiday park products . Because we limit competitor companies we make sure you stand out from the crowd. Time again suppliers re-book our forums recognising the power of the forum formula – time efficient, cost-effective, delivering tangible results.

Harnessing the growth in the UK staycation

UK holiday parks and resorts generate £2bn a year in holiday spending and account for 53.4 million holiday bed nights in Britain each year. With over 3,000 holiday parks and resorts in the UK, it's an exciting time as the sector enjoys increasing popularity with changing holiday patterns and growing numbers looking to take mini-breaks in the UK throughout the year.
